## NEBOSH Safety Simplified

The Safety Simplified is the perfect course for anybody who needs a solid introduction to workplace health & safety and risk assessment. The course provides the knowledge, understanding and practical skills to help to reduce the personal, organisational and financial cost of accidents, incidents and work-related ill-health.

## Course Content

The Safety Simplified course consists of 5 elements:

- Making the case for health and safety
- Stopping incidents and ill-health before they happen
- Stopping incidents from repeating themselves
- Dealing with common workplace hazards
- Keeping an eye on how things are going

## Assessment

The Safety Simplified course is assessed by a 30-minute multiple choice exam and a risk assessment activity.
