

NEBOSH HSE Introduction to Incident Investigation

NEBOSH HSE Introduction to Incident Investigation

The NEBOSH HSE Introduction to Incident Investigation is designed to enable students to be able to carry out solo accident investigations, produce risk control plans and contribute to team accident/incident investigations for large-scale investigations. It is aimed at:

- Managers and Supervisors
- SHE champions
- Union representatives
- Aspiring health and safety practitioners

Course Content

The NEBOSH HSE Introduction to Incident Investigation consists of one unit:

Unit INV1: Introduction to Incident Investigation

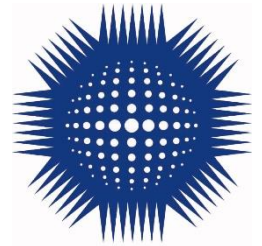

- Moral, legal and financial arguments for investigations
- Human and organizational factors
- Investigating accidents and incidents
- Positive strategies and the barriers to successful interviews
- Advanced accident/incident investigation techniques

Assessment

Unit INV1 of the NEBOSH HSE Introduction to Incident Investigation is assessed by a one-hour evidence-based action plan activity.
